TERMS OF SURSCRIPTION

King Edward was terribly shocked at some of the singing that he heard when he re cently visited a music hall. the world's nicest and most lovable old gentlemen.

James R. Keene is reported to have won \$300,000 on the turf. For the benefit of the boys who are anxious to pick winners it should be added that Keene didn't win the money betting on other men's ponies

By turning on the light President Roosevelt undoubtedly intended to make some of the big corporations turn off the water

If those Moors are so hard to subdue, armed with obsolete guns, what will they be when civilization steps in and provides them with modern shooting irons?

The language of Britain is susceptible of infinite shades of meaning. For instance, that which is a "race war" in San Francisco is a "disturbance" in Vancouver.

It has just been discovered that within the past year John D. Rockefeller has contributed to the relief of 2000 of the lowly poor of New York. This much, at least, ought to

American girls have invested \$900,000,000 in foreign titled husbands. The return flow of gold is compara-tive small. Why not take a hint from the Bank of England and mark up the girls 7 per cent.

ing house certificates to meet ing the composers from the the demand for currency throughout the country dur- not a word about protecting ing the late flurry.

What Ails You?

Do you feel weak, tired, despondent, have frequent headsches, coated tongue, bitter or bad taste in morning, "heartburn, beiching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nauses at times and kindred symptoms? If you have any considerable number of

ove symptoms you are suffering illousness orpid liver with indi-tral speps Dr. Pierce's Golden Medical Discovery is made up of the mos valuable medicinal principles known b medical science for the permanent cure of uch abnormal conditions. It is a most efficient liver invigorator, stomach tonic, towel regulator and nerve strengthener.
The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, vir., Golden Seal root, Stone root, Black Cherrybark, Queen's root, Bloodroot, and

Mandrake root.

The following leading medical authorities among a host of others, exted the foregoing roots for the cure of just such aliments as the store symptoms indicate: Prof. E. Bartholow, E. D. of Jefferson Med. College, Philis. Prof. I. C. Wood, M. D., of Luivac Pa.: Prof. Edwin E. Hale, M. D., of Halmemann Med. College, hicago: Prof. John King, M. D., Author of imerican Dispensatory: Prof. Jon. M. Sudder, M. D., Author of Specific Medicines: Prof. aureore Johnson, M. E. Med. Lept. Univ. of Y.: Prof. Finley Ellingwood, M. D., Author of Maseria Medica and Prof. in Bennett Medicated College, Chicago, Send name and allows on the profit of the prof

Addressing himself to a "Now You See It; Northwestern university law class, recently, James Hamilton Lewis, better known as "Jim Ham," delivered himself of some disagreeable remarks on the subject of a remarked, among other Horace Greely has truthfully Edward has become one of expressed it, "When a woman all hel! cannot keep her record!" It's a good thing wo.

> good thing for "Jim Ham." Still, we should be able to get some consolation out of the recollection that whenever our navy has been tried in battle the other fellow has come off second best. This is a rule that is absolutely without ex. ception, as far as important engagements are concerned. Our fighting ships may be death trays but they are death traps for the other fellow when he tries to investigate them.

Some with has it that the genius for accumulating tainted money is not so strong in the feminine descendants of accumulating tainted titles.

Mexican laborers have developed marked hostility toward the Japanese immigrants. The whole eastern shore of the Pacific is being made too hot for them.

Mayor Tom Johnson's new grand daughter will bear the name of Signora Frederico Mariani. That's rather a highfalutin name to have in the family, but Mayor Tom doubtless will be able to square be deducted from the big fine, it up with the plain people.

M. Metchnioft, the scientist, says people who want to live long should drink milk, and refrain from worrying. And yet, after all we have read about milk, it is difficult to see how anyone can drink it and not worry.

There is being an awful It took \$65,000,000 in clear- row stirred up about protectthe public from them.

> Admiral Brownson must feel pretty bad to find that his resignation was "childish, disloyal and reprehensible," when he only meant it to be accommodating.

"It costs money to be bad. Greene and Gaynor have spent a large fortune in keeping out of jail," says the Baltimore Sun. And it was money worse than thrown away at that.

F. Augustus Heinze has found that the apex theory will not work in Wall street.

San Francisco' builders re port that there are great possibilities in concrete as a substitute for lumber. Between concrete and scientific forestry a few trees may yet be saved for the benefit of posterity.

Harry Thaw must be sorry that his second trial is not to be made. coming off in Virginia, where they do not have to put in an insanity defense and muss up the family record.

Now You Don't"

Judge Daniel McFarland conducts the most diversified court, probably woman witness. Mr. Lewis in Arizona, each detail of which is scrupulously carried out. As an illustration, yesterday noon the mat. things, that "an oath means rimonial section of the court was vis nothing to a woman, and, as ited by a Mexican couple who deposited five plunks and were prosounced man and wife. The groom immediately proceeded to celebrate starts out to perjure herself, the occasion by tanking up, and as a consequence in a few hours he came before the judge with a drunk and dis orderly charge against him, and he men cannot vote in Illinois, a was assessed \$10 or ten days, and in the absence of the coin of the realm the newly made bride will be an enforced widow for ten days. There is yet an appeal to the same court; if either the bride or groom feel that marriage is a failure they have but to consult Atterney McFarland, and the knot so solemnly tied with the injunction to "let no man put assunder," will be dexteriously untied.

And Still They Continue to Disagree car at Ash Fork.

Two more divorce cases were filed luring the past days. Sarah J. Williams of Douglas wants a decree of divorce from D. A. Williams. The couple have considerable community property consisting of the Grove saloon in Douglas, valued at \$10,000; rich men as the genius for property in Port Arthur and Beaumont, Texas, valued at \$20,000, besides considerable cash in the banks of Douglas and mining stock and mining property in Mexico. They were married in Tombetone in August, 1905.

Myrtle E, Eiting of Bisbee petitions the court for a separation from Martin Esting. They have one child, a little girl, of the age of four, which the plaintiff asks for with the de-

Arbor Day for Southern Arizona

Governor Kibbey has fixed Friday February 7, as a legal holiday for the observation of Arbor Day in the southern counties of Arizons, including Cochise, Gila, Graham, Maricopa, Pima, Pinal, Santa Cruz and Yuma counties.

In his proclamation, Governor Kib bey asks that public and, private recognition be taken of the day, and that as far as possible it be made the occasion for planting trees, shrubs and vines for the promotion of forest and orchard growth and the adornment of public and private grounds.

Schools are principally looked to Governor Kibbey also calls on individmusic machine makers but uses to take part in the planting of trees and shrubbery.

Leap Year Dance February 14th

The Leap Year dance to be given by the ladies of Tombetone is assuming shape and its success is now assured. A dark corner in the hall will e arranged for couples who wish to propose, or rather we should say, that fortune telling booth will be arranged and the fortune will start like this: the lady breaking the silence with, "If you marry me you will live a long and happy life, etc." It is now asserted by some of the bachelors that February 14-St. Valintine's Daywas selected because of the supposed "mushy sentiment" that is prevalent on that date. However, it is a most appropriate date, the kicking bachelors to the contrary, not withstanding.

A report comes from Benson that an investigation is being made of the A A. McGinnis suicide, several friends believing the same to have been accidental or otherwise. The bullet wound in the head is said to have entered on the left side, back of the ear, and came out on the right side. The circumstance has given rise to much discussion, and a thorough examination is

Chas. A. Wallace Gets the Position

Chas. A. Wallace, formerly under sheriff of this county, during the administration Stewart Hunt, has been appointed assistant license clerk of the city of Los Angeles. The appoint-Newsy Arizona Events the city of Los Angeles. The appointment was given to Mr. Wallace as a result of a civil service examination in which several applicants were entered. Mr Wallace ranked first in the examinations and was given the

Forged Passports

Instructions have been issued to the immigration officers at the Arizona ports and all along the Mexican border to keep a sharp lookout for lorged passports held by Japanese endeavoring to come into this country

from Mexico. As a result Captain Webb's men will redouble their vigilance and will scrutinize the Jap passports with especial care. The discovery of the forged passports was made by a special agent in the El Paso port and it is the belief of the government officials that attempts will be made to work these forged passports at all ports of entry along the Mexican boundary

Soup Houses

Following the example of Los Apgeles, where there have been catablished three soup houses to feed 10,000 idle men, the ladies of the Christian Temperance Union of El Pass have decided to establish a soup house in that city to feed the hungry. A committee of ladies waited upon the city council and asked for financial aid and were allowed \$50 per month for three months from the city, and oranges from any other section of the many other donations have been re-

in fine condition and a heavy clip is Arizona Catilemen At Stock Association

E. B. Moore of the Sulphur Springs Cattle Co. and W. H. Neel of the sham & Neel 4-Bar ranch, have gone to Denver to attend the annual convention of the National Live Stock Association which will meet in Denver today and continue during the week, Both Neel and Moore are members of this association, which has a large membership in Arizona. It is attend the convention, among them being A. A. Packard, J. J. Riggs and The Southern Pacific railway com- J. V. Vickers. One of the features of pany will erect in Phoenix a modern the convention will be the national packing house to cost \$40,000 for the live stock show, which will be held in Denver next week

It is expected that as many as fifty members from Arizona will attend this convention.

Files Suit For \$15.000 Damages

Alleging that he has been crippled or life by injuries sustained from an secident, while working for the Denn-Arizona Mining Co., Rex M. MacEwan has filed an action in the district court for damages in the sum of \$15,000 and costs of suit.

The complaint alleges that plaintiff stepped on the cage at the mine and was suddenly dropped on the "chairs" of the 1100-foot level with such force that he sustained a broken knee cap and left him incapacitated for work, where free knee action is required. E. J. Flanigan is attorney for the plaintiff.

The Tucson chamber of commerce has just issued a handsome little Mayer, Yavapai county business man, booklet descriptive of that city, which is a very creditable piece of work.

To settle a controversy over his ather's estate Sam Bailey of Safford has married his slater-in-law. That is a move calculated to defeat the lawyers.

A petition filed by several creditors in the district court today, in the Brown Store assignment case of Bisbee, will call for a review of the proceedings on February 4th to consider the petition to have the matter go through bankruptcy. The petitioners are Fecheimer-Keifer & Co. \$2,535.33; Issac Faller Sons, \$11180; Stern-Lauer-Shohl Co. \$46.81

The judgment that was recently secured by Paine, Webber & Co. against the Copper Belle Mining Co. for \$272,-229.04 in Pima county has been filed in the district court here by the attorneys for the plaintiff. It is expected that unless the minority stock holders take steps within the next 30 days to intercede, that an effort will be made to have the property sold to eatisfy the judgment. At the present time there are several other suits ding sesinst the company one of Martin Costello, who is trying to foreclose a mortgage that he has on the property, which case has been in the courts for a number of years and is now on appeal to the supreme court of the territory and on which case a decision is expected to be handed down at the present session of that court.

Advices were received at the sheriff's office today from Benson to be on the lookout for a prisoner by the name of Van Lean, who is wanted there on the charge of robbery. Van Lean was arrested a few days ago by Ranger Mc-Ada on a charge of having broken into a ranch house below Benson. During the night he escaped from the Benson jail and later was captured near Dragoon. While being brought back on the train he received permission to enter the toilet and again made his escape through the window, while the train was in motion. His whereabouts are now unknown.

At the sheriff's sales of Pouglas property had yesterday afternoon for back taxes, several Tombstonites were he successful bidders, among them being Mrs W. Fuller, D. P. Hickey and J. F. Ross. Some of the property brought from \$25 to \$3) above the costs and penalties.

The bidding on the Bisbee property which was sold this afternoon, was quite brisk, some of which brought

good prices. The sheriff on receiving the bids gives a certificate of sale for the property to the purchases and at the end of nine months executes a deed for the same. The former owner has a right eccording to an opinion of the Attorney General, to redeem the property within nine months time, but is compelled to pay to the purchaser 10 per

From Wednesday's Daily.

Hon, Steve Roemer was in the city to ay on a business trip.

Charles Krender left this evening or Benson, where he goes to meet Mrs, Kreuder, who is returning from visit to her home in Kansas.

Deputy Sheriff Wm. Bennett of Fairbank was in the city today on business connected with his official
